Syracuse-Italy (May 11-14, 2017)

The great success of the Conference in Spain 2016, has ensured that this year the **3rd Mediterranean Gemmological and Jewellery Conference (May 11-14, 2017)** will take one extra day at Hotel "MINARETO" in **Syracuse, Italy**. Organized by **IGL** (Hellas), **CGL-GRS** (Canada), in Conjunction with **CERTILINE** (Italy) and **NAJA** (USA).

The major theme of Conference will be "**Coloured Diamonds**" and we have 6 Speakers on the Topic:

- **Alan Bronstein** (Aurora Gems, USA) - Coloured Diamond Dealer: "*Story of Blue Moon Diamond*".
- **Dr. Katrien de Corte** (HRD, Belgium) - Diamond Researcher: "*Type Ila Diamonds: Good, Bad and Rare*".
- **Thomas Gelb** (Natural Coloured Diamond Association, USA) - NCDIA Contributing Educator: "*Fancy Colour Diamonds: Colour Grading and its Relationship to Value*".
- **John Chapman** (Gematrix, Australia) - Diamond Consultant: "*Colour and Fluorescence Grading of Coloured Diamonds by Instruments*".
- **Branko Deljanin** (CGL-GRS, Canada) - Diamond Researcher: "*New approach for Grading and Certification of Coloured Diamonds - Provenance Type*".
- **Kym Hughes** (Symmetry Jewellery Valuation Specialists, Australia), Appraiser: "*Valuation of Coloured Diamonds for Trade and Consumers*".

We have 6 International Speakers on Natural and Synthetic Diamonds, Fluorescence, Gems, Cutting and Jewellery:

- **Ilaria Adamo** (Italian Gemmological Institute, Italy) - Gemstone Researcher: "*Demantoid Garnet: Identification, Occurrences and Origin Determination*".
- **Viktor Tuzlukov / Alicia Vildosola** (Russia / Spain), Cutter / Appraiser: "*Evaluation of Cut for new generation of Gemstones - Artistic and Precious Cut*".
- **Larry French** (Buccellati, USA), Jeweller / Lecturer: "*Gianmaria Buccellati: Master Goldsmith of Milan*".
- **Dr. Victor Denisov** will give a talk on "*Diamond Fluorescence*" and **Dr. Sergei Terentev** will demonstrate the use of "*Alrosa's new Diamond Inspector*", an Instrument for detection of Synthetic Diamonds. They are representing our major partner, mining company Alrosa (Russia).

We will have **Round Table on "Coloured Diamonds - Describing and Marketing"** and "**Fluorescence-Importance for ID and Value of Fluorescent Diamonds**", moderated by **John Chapman** (Gematrix), with experts from Alrosa, Aurora Gems, CGL-GRS, HRD, NCDIA, NAJA and Symmetry Jewellery Valuation.

Pre-Conference Basic Workshops will be by **Alan Hodgkinson** (Scotland) - "**Visual Optics (Hodgkinson Method) Practical Workshop**" and **Claire Mitchel** (Gem-A, UK) - "**Use of Handheld Spectrometer in testing of Gems and Coloured Diamonds**", Workshops description on website.

Gemmologists, Appraisers and Dealers will receive hands - on experience with Diamonds at 2 Workshops:
